### CEILIDH

The 5th Annual Ceilidh will be held as usual at the Granite Club, February 7th. An organization committee has recently been appointed under Ken Browne ('28) and undoubtedly the evening will be a huge success. Last year's was the biggest turnout — let's beat the record! Make a note of the date: **Friday, February 7th.**

### THE DINNER

Over a hundred O.B.'s attended the Dinner on October 31st at the Granite Club. The Annual Meeting was held during the meal and **Ham Thorburn** ('26) was elected President. **Ron McKinnon** ('46) and **Ted Medland** ('46) again handled all details very successfully.

#### WE HAVE STILL A LONG WAY TO GO

Your donation, large or small, will be most acceptable. Make cheques payable to the St. Andrew's College Old Boys' Foundation and send them to the Secretary of the Old Boys' Association at St. Andrew's College, Aurora, Ontario.

### ROUND AND ABOUT

Examinations are about two weeks away and the Christmas break gleams brightly on the horizon. Various circumstances made the Term awkward at times — considerable 'flu being among them. From about mid-September until after Thanksgiving, 'flu decimated classes and games squads. In the classrooms, some "slow-marching" and even "marking-time" had to be done. The **Football Team** had only a very short time together before the first L.B.F. match and none of the usual exhibition games beforehand — but did their best. Certainly the School was proud of the way they played the final game with T.C.S. **Hockey** has been underway since Half-Term and promises well, especially in the Middle School. The **Basketball Team** appears to have some strength. The Cadet Corps is most appreciative of a complete set of new "Tournament" drums which Mr. Brunt has presented. The school (especially H. Kendall, Esq.) is pleased with the **rubber matting** for the swimming pool which was given by Messrs. Cliff McCauley, Fraser and Murray Smith, Harold and Gordon Middleton, Bill Skinner and Dr. Campbell Dobbin (vintage '45, '46, '47). It was pleasant to learn that ten boys now at the School are here as the result of Old Boys' Foundation Awards. Today (November 21st) boys transferred all the books from the Memorial House Library to the **new Library** in the old Assembly Hall. Much shelving remains unoccupied — easier to dust — but not much use to youth in search of knowledge! Have YOU any suitable books to contribute? You HAVE! Well — how about sending them along? The new Library has already proved itself a great boon. Since the new desks and lighting were installed, it has been in constant use. Memorial House Library has had two rooms built on the side west of the doors, ready to accommodate boys, but at present used constantly as study rooms and for meetings of various groups. The **new plumbing** is now installed — and functioning (Mirabile dictu!) "**Tuddy**" is not as well as he might be but, when visited, is always cheerful and always keenly interested in the School. "**Pitt**" continued to be well — is working much with boys and with books — as usual! Christmas carols, snow here and there, "shutters" in the Cloisters — all familiar glimpses of 'round and about the School.
